Acknowledgements

My special thanks to Dr. Satoshi Muraki, an associate professor of the Faculty of Design, Kyushu University, Prof. Dr. Akira Yasukouchi, a department dean of the Faculty of Design, Kyushu University, and Prof. Dr. Yutaka Tochiara, a professor of the Faculty of Design, Kyushu University, for an excellent academic supervising. I also listed following people who have highly encouraged and supported me.

Prof. Dr. Shigemitsu Niihata (Fukuyama Heisei University and Hiroshima University)

Prof. Dr. Richard L. Hughson (University of Waterloo)

Prof. Dr. Yoshiyuki Fukuoka (Prefectural University of Kumamoto)

Prof. Dr. Kazumasa Yanagawa (Hiroshima University of Economics)

Prof. Dr. Sachio Usui (Hiroshima University)

Prof. Dr. Takayoshi Yoshida (Osaka University)

Prof. Dr. Shunsaku Koga (Kobe Design University)

Prof. Dr. Yoshiyuki Fukuba (Prefectural University of Hiroshima)

Prof. Dr. Akira Miura (Prefectural University of Hiroshima)

Prof. Dr. Hirofumi Miyata (Yamaguchi University)

It was also acknowledged that these studies were financially supported by a Grant-in-Aid for Young Scientist (B) from the Japan Ministry of Education, Culture, Sports, Science and Technology (Grant number 17770217 to Daijiro Abe) and in part by the Nakatomi Foundation (to Daijiro Abe).

March 2008

Daijiro Abe
