2. Shimizu S:
Renovation of Medical Education with Advanced Internet: Possible expansion from Asia to Colombia
Connect Bogota Conference
Bogota, Colombia, 2013/5/7, Invited lecture
3. Shimizu S:
Remote Medical Education in Asia-Pacific: Possible expansion to Columbia
2nd International Conference on e-Science
Cali, Colombia, 2013/5/9-10, Invited lecture
4. Shimizu S:
Introduction of teleconference in Asia-Pacific and beyond
The TEIN4 National Lauch
Philippine, 2013/6/14, Invited lecture
5. Shimizu S:
Remote education of endoscopy: Global updates and future directions
The International Workshop of Glocal Digestive Disease Center of Konkuk University Medical Center: 2013 International Hub in Advanced Endoscopy
Seoul, Korea, 2013/7/13, Invited lecture
6. Shimizu S, Nagai E, Otsuka T, Kudo K, Antoku Y, Okamura K, Nakashima N, Tanaka M:
Ten-year experience of remote surgical education in Asia
ISW International Surgical Week) 2013
Helsinki, Finland, 2013/8/25-29, Oral
7. Ghosh P, Islam R, Nakashima N, Nohara Y, Ahmed A, Shimizu S:
Effectiveness of Preventive Healthcare through Telemedicine in Bangladesh
The 18th ISfTeH International Conference in Japan
Kanagawa, Japan, 2013/10/17-20, Oral

8. Shimizu S:
Ten-year experience of remote medical education in Asia-Pacific: Lessons learned and recent trends
4th Annual Meeting of the Australasian Telehealth Society
Brisbane, Australia, 2013/11/11-12, Invited lecture
9. Shimizu S:
Continuous Remote Education on Endoscopic Surgery for Gastric Cancer in Asia
ELSA 2013 (Endoscopic and Laparoscopic surgeons of Asia)
Taipei, Taiwan, 2013/11/21-24, Invited lecture
10. Nakashima N:
“Portable Health Clinic” a Remote Medicine Trial in Developing Countries
APAN Indonesia,
Bandung, Indonesia, 2014/1/23, Remote Lecture
11. Nakashima N:
Challenges of Telemedicine Development Center of Asia in Kyushu University
Digital Healthcare World Asia 2013
Singapore, 2013/10/10, Invited Lecture
12. Nakashima N:
U-health to keep productivity in Aging society
8th Biyani’s International Conference BICON-2013
Jaipur, India, 2013/9/22, Invited Lecture
13. Nakashima N, Nohara Y, Ashir Ahmed, Kuroda M, Inoue S, Ghosh P, Islam R, Hiramatsu T, Kobayashi K, Inoguchi T, Kitsuregawa M:
An Affordable, Usable and Sustainable Preventive Healthcare System for Unreached People in Bangladesh
Medinfo 2013
Copen Hagen, Denmark, 2013/8/23, Poster presentation
14. Nakashima N:
Presidential Symposia “U-health Care in Aging Society”
IAGG2013 in Seoul, Korea
Seoul, Korea, 2013/6/26, Invited Lecture
15. Nakashima N:
A Glimpse on Fusion Technology in Health Science (an experience of disease management of diabetes mellitus in Japan)
2nd Professional Science Master Conference
Health Science and Science Management for Future Creative Convergence
Seoul, Korea, 2013/5/26, Remote Lecture

16. Nakashima N:
Ensuring a Pilot Project Becomes a Sustainable, Scalable mHealth Service in Bangladesh
“3rd Annual Wireless Healthcare Asia Summit”
Singapore, 2013/4/22, Invited Lecture
17. Nakamura M, Inoue S, Nohara Y, Nakashima N:
Finding Nursing in the Room from Accelerometers and Audio on Mobile Sensors
IUI Workshop on Location Awareness for Mixed and Dual Reality (LAMDa), to appear,
2013.03.19.
18. Sungrim Lee, Fujii S, Okamura K:
“Study on Planning of Smart GRID using Landscape Ecology”
Proceedings of World Academy of Science, Engineering and Technology
International Science Index Issue 85: Jan. 2014
19. Zhaolong Ning, Okamura K, Chengming Li:
“Power Allocation for Two-Way Relay Channel in Wireless Bidirectional Networks” Proceedings of
IEEE Malaysia International Conference on Communications, MICC 2013
20. Zhaolong Ning, Okamura K, Chengming Li:
“A Joint Network Coding and Scheduling Algorithm in Wireless Networks”
Proceedings of Research Network Workshop 2013
21. Othman Othman M. M., Okamura K:
Hybrid Control Model for Flow-Based Network
Proceedings of the Computer Software and Applications Conference Workshops (COMPSACW)
2013 IEEE 37th Annual, pp.765,770, 22-26 July 2013 DOI: 10.1109/ COMPSACW. 2013.13
22. Othman Othman M. M., Okamura K:
Enhancing Control Model to Ease off Centralized Control of Flow-based SDNs
Proceedings of The Doctoral Symposium, COMPSAC 2013 international conference
23. Chengming LI, Okamura K:
Game Theory based Interest Forwarding Decisions in Content Centric Networking
Proceedings of International Conference on Future Internet Technologies 2013 (CFI 2013)
24. Othman Othman M. M., Okamura K:
Aiding OpenFlow Controller by Enhancing OpenFlow's Control Model, and Behavior of Flows
Proceedings of TNC2013 Conference
