Welcome message from the Conference Committee

On behalf of the organizing committee, I am delighted to welcome all the participants to the 3rd International Exchange and Innovation Conference on Engineering & Sciences (IEICES 2017) which is scheduled to take place on October 19-20, 2017 at Fukuoka, Japan.

This academic conference brings together academics, researchers and students to share the latest developments and researches in the fields of materials, energy and environmental engineering & sciences. The organizing committee is going to develop an exciting program to give participants an opportunity to present their academic works, concepts and new discoveries. Moreover, participants will have a chance to get to know one another closely.

We are looking forward to meeting you and ensuring that you will have an appealing and exciting experience on your participation during the conference in the beautiful city of Fukuoka.

Osama Eljamal
IEICES Chairman
