Welcome Message from the Conference Chairman

On behalf of the organizing and scientific committees of the 9th International Exchange and Innovation Conference on Engineering & Sciences (IEICES 2023), it is my great pleasure to present you the IEICES 2023's proceedings, which was held on October 19-20, 2023 at Kyushu University, Fukuoka City, Japan.

The conference brought together academics, researchers and students to share cutting-edge development in the fields of materials, energy and environmental engineering & sciences. The organizing committee developed an exciting program which gave the participants an opportunity to present their academic works, concepts and new discoveries. Moreover, participants had a chance to get to know each other closely. Before I close, I would like to thank each of participants for coming to our conference and bringing their expertise to our gathering.

I am looking forward to seeing you at next IEICES.
