Welcome Message from the Conference Chairman

On behalf of the organizing and scientific committees of the 10th International Exchange and Innovation Conference on Engineering & Sciences (IEICES) 2024, it is my great pleasure to present to you the IEICES 2024's proceeding, which was held on October 17-18, 2024 at Kyushu University, Fukuoka City, Japan.

The conference brought together academics, researchers, and students to share cutting-edge development in the fields of materials, energy, and environmental engineering & sciences. The organizing committee developed an exciting program which allowed the participants to present their academic works, concepts, and new discoveries. Moreover, participants had a chance to get to know each other closely. Before I close, I would like to thank each of participants for coming to our conference and bringing their expertise to our gathering.

I am looking forward to seeing you at the next IEICES.
