- Library's Efforts in OA**
- Storing research outputs in **QIR** (Kyushu University Institutional Repository)
 - Transformative agreements with **Elsevier, Wiley, and RSC**

In February 2024, **Japan's OA Policy** was announced:

"National Policy on Promoting Open Access to Publicly Funded Scholarly Publications and Scientific Data"

For OA promotion on campus:

Advancing Researchers' OA Knowledge

Enhancing Research Support on Entire Campuses

Educating Librarians through On-the-Job Training

"Open Access Support Team" Launched in the Library

OAサポートチーム結成

Our Philosophy: NO OPEN ACCESS, NO SCIENCE

We believe that unrestricted access to academic resources brings further advancement of science.

Librarians from all campuses join and work together divided into three teams
